

You and your family will enjoy being friends of the Agrirama because you are entitled to many special privileges, but even more importantly, you will invest in preserving Georgia's proud heritage. Daily, America's history turns to rust or falls to the bulldozer. Some day it might be gone unless we do something now!

All members are admitted upon presentation of their membership card. Enjoy all activities on site plus unlimited train rides. Fish in the Agrirama lake. Receive a 15% discount at the Country Store. Read about current happenings at the Agrirama in the newsletter, *Agrirambblings*.
